Westwood
GOLF CLUB

2019 MEMBERSHIP PACKET

THE COURSE

Westwood Golf Club has been a long-time favorite of visiting and local golfers because of its excellent year-round condition. Our well maintained, scenic holes offer a fair challenge to golfers of all levels. There are several water hazards in play, as well as 20 bunkers. In addition to the golf course, Westwood has an 8,000 square foot clubhouse with a full Pro Shop, a NEW restaurant, McCalley's Tavern, and a banquet facility, serving both golfers and the general public alike. For golfers who play often and are looking for value, annual memberships are available. In addition, Westwood hosts group outings, tournaments, and other special events.

TRACKMAN GOLF SIMULATOR

The most accurate golf technology in the industry – used by the leaders in golf – is here at Westwood Golf Club. Our brand-new TrackMan simulator takes game improvement to the next level. TrackMan's Dual Action Radar provides real-time accurate data, video swing analysis, club optimization and more with every swing. Choose between getting analytical or playing 18 holes at some of the "Top 100 Courses in the World". Practice your game rain or shine, year-round at Westwood!

BANQUET FACILITY

Located in a private setting overlooking the golf course, Westwood's banquet facility provides an ideal location for your next event. We can accommodate groups big or small, with multiple packages to choose from. Select one of our pre-set menus, or our work with our Banquet Manager to customize a menu that meets your specific needs. From cocktail parties to anniversaries, Westwood will delight both you and your guests!

MCCALLEY'S TAVERN

Enjoy a beautiful setting with a variety of light and tempting selections from our NEW menu. McCalley's provides a full-service bar overlooking the course and several HDTV's to watch your favorite sports team. The restaurant is open to daily serving lunch and dinner with happy hour specials. You don't have to be a golfer to enjoy the beautiful scenery.
